Every Student Succeeding in 2016... each day counts in the life of a child!

Welcome back to Term 3. I hope you had a relaxing break and enjoyed spending time with family and friends, ready for the busy term ahead of us.

The Premiers Reading Challenge has begun for 2016. The Dulacca students will participating in this challenge for the first time. As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature. The reading period for the 2016 Premier’s Reading Challenge closes Friday 26 August. You can play a big part in your children’s future by encouraging them to be part of this positive initiative. I look forward to seeing as many of our students as possible embrace the 2016 Premier’s Reading Challenge.

Homework

Homework provides students with opportunities to consolidate their classroom learning, develop their independence as a learner by taking responsibility of their homework and also involve family members in their learning. Homework is purposeful and relevant to the students’ needs and is appropriate to their capability. Homework is set on Monday and returned to school on a Friday morning. It is an expectation that students complete all areas of their homework to a high standard. If you have concerns about your child’s homework, please contact the school and the staff who will be happy to assist.

Tuckshop

Attached to this newsletter is the roster and tuckshop menu for Term 3. Thank you to those families who have agreed to volunteer their time in our school Tuckshop. Your support has enabled the P&C to continue to make tuckshop available for our children at school each week.

There will be no tuckshop on a Wednesday in week 2 and 3 (20th & 27th July), due to Tuesday tuckshops to match the athletics carnivals. Regular Wednesday Tuckshop will continue from Week 4 Wednesday 3rd August.

School Opinion Survey

The annual School Opinion Survey will be conducted 11 to 29 July 2016. All families, school staff and a random sample of students will be invited to participate. We encourage you to take this opportunity to have your say about what this school does well, and how this school can improve. Access details for the Parent/Caregiver Survey is attached to this newsletter. Parents/caregivers are welcome to complete their survey online at the school. If you require access to a computer please contact the school office via phone or email.

Tallebudgera camp for the year 5 & 6 students is coming up in August. Please make sure all permission forms are returned to the school by the end of the week.

Angela Wood, A/Principal
