Great Results Guarantee

Under the agreement for 2015
Dulacca State School will receive $7,330*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure all students reach NMS in literacy and numeracy in 2015.
- Provide Evidence Based Plans for those students at risk of not achieving NMS and enact these plans.
- Deliver Early Phase of Learning programs to 3 and 4 year old children in the community to ensure the development of early literacy and numeracy to improve the transition to Prep.
- Develop a whole school reading program to ensure consistency across all year levels.
- Develop a whole school numeracy program to ensure consistency across all year levels.

Our strategy will be to

- Provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.
- Build teacher capability in gathering and using evidence to develop and successfully implement achievable individual curriculum plans.
- Ensure early identification of Prep learning requirements using the ‘Early Start’ material.
- Develop and document the school’s approach to the explicit teaching of reading and numeracy.

Our school will improve student outcomes by

| Continuing funding towards our Early Phase of Learning program. | $3600 |
| Provide TRS to release teachers to audit, develop, and document our whole school reading and numeracy program. | $1800 |
| Developing Evidence Based Plans for small groups / individual students, and implement through purchasing additional Teacher Aide time. | $1930 |
